

PEACE OF MIND

FROM THE HEATING & COOLING PROFESSIONALS WHO **CARE**

CLARITY 
BY  CLIMATECARE.

PLANNING TODAY FOR **PEACE OF MIND** TOMORROW

Let's face it - weather in Ontario can be unpredictable. One moment it can be hot and another moment it's freezing cold.

Something you don't want any guesswork with is your home comfort system. We're talking about the consistent, behind-the-scenes machines like your air conditioner, furnace, water softener and water heater that do all the heavy lifting so you and your family can live your life comfortably and get true peace of mind.

But what happens when something doesn't work, or you need expensive repairs? With our all-inclusive Home Comfort Subscription, you'll never have to worry again.

WHY CLARITY?

ONE STOP SHOP

From air conditioners and furnaces to water heaters and water softeners – our licensed technicians are experts at what they do and work with quality manufacturers to deliver a complete, safe and flawless home comfort solution.

ONE PAYMENT. ZERO WORRIES.

Peace of mind defined: One low, all-inclusive monthly payment that considers everything – including scheduled maintenance visits and a 12-year warranty – ensures year round comfort. Plus, you'll own your unit from day one.

NO SURPRISES

Your subscription covers the cost of equipment and installation and includes 12-years of parts, labour and service, so there's no unexpected cost – only true peace of mind.

REGULARLY SCHEDULED MAINTENANCE

We take care of the heavy lifting by scheduling regular precision tune-ups. We'll check the gas line for dangerous leaks and perform other crucial inspections. Safety for your home and family could be the most important benefit of owning with CLARITY by ClimateCare.

MORE SAVINGS EQUALS BETTER VALUE

Our highly trained technicians live and work in your neighbourhood, so when you choose us you're supporting a local business. The bonus is that we're Ontario's largest HVAC cooperative, which means our buying power lets us offer even better value than the large utility suppliers and Big Box stores.

Worry-Free Home Comfort

- ✓ New high-efficiency equipment
- ✓ No money down
- ✓ Free installation
- ✓ Equipment ownership from day one
- ✓ 12 years parts & labour warranty
- ✓ No unexpected repair fees
- ✓ Regularly scheduled maintenance
- ✓ Pay off at any time with no penalties
- ✓ 100% satisfaction guarantee

Safety, Efficiency and Years of Reliability

CLARITY by ClimateCare exclusively provides and installs the best-in-class water heaters, air conditioners, furnaces and water softeners made by top brands in North America. All of our state-of-the-art products are designed with high performance efficiency, installed by expert technicians, and are backed by our comprehensive 12-year parts and labour warranty.

Air Conditioners

Durability and Quality

You'll be amazed at the difference in efficiency, silence and energy savings that a modern, advanced unit will deliver.

- Up to 15 SEER efficiency, yet incredible value ENERGY STAR® certified to save energy without sacrificing functionality

Furnaces

High Efficiency = Lower Cost

Our gas furnaces are driven by a high-efficiency motor that reduces electrical costs and energy use.

- 95% AFUE (Annual Fuel Utilization Efficiency) rating on every model
- ENERGY STAR® certified to save energy

Complimentary voice-controlled smart thermostat

Water Heaters

Tank or Tankless, CLARITY quality saves you money

Tank-Type: Value and Reliability

With **CLARITY**, less expensive doesn't mean a lesser solution. Combined with our maintenance, your tank heater will keep you in consistent hot water (the good kind!) while cooling down your monthly expenses.

- The popular, more affordable choice
- Sizes from 40 to 60 gallons

Tankless: More Efficiency = More Savings

Tankless water heaters save energy by instantly heating water only when you want it, and only the water you use. No tank also means a continuous unlimited supply.

- Economical in that you only pay for what you use
- Temperature can be changed per need (i.e. lower for baby's bath, higher for dishes)

BUNDLE AND SAVE!

Save by bundling multiple home
comfort products!

Ask us how

Water Softeners

The Easy Solution for Hard Water

Silkier hair, smoother skin, cleaner dishes and more efficient house cleaning—our premium water softeners remove clear water iron and softens water without wasting a single drop and only uses less than three dollars a year in electricity.

- Simply program in seconds, add water softening salt and relax
- Uses 80% less salt than traditional water softener

Join the thousands choosing the
clearly wiser alternative for their
home comfort needs.

Low monthly payments, no repair bills, regularly scheduled maintenance and top of the line products — just a few reasons why so many Ontarians are choosing **CLARITY** by ClimateCare, the proudly independent local solution!
